SYNOPSIS OF FACTS:

The Nationalist Conservative Party reportedly was first started in late 1954 or early 1955. This organization is promoted by WILLIAM B. WERNECKE, who was a supporter of the German-American Bund and a convicted Selective Service violator. WERNECKE reported attempting to promote a new political movement with himself at the head. WERNECKE has been in touch with "well-known hate elements" in the U.S. in an attempt to gain a following. As of the present time this Party has not "jelled" and has failed to take hold and attract interest.

Reported to be uninterested in this organization. The aim of this Party is the formation of a third party due to the faults and mistakes of the two major political parties in the U.S. The program of this Party is set forth. Various leaflets and an auto sticker concerning this Party have been distributed through the U.S. Mail by WERNECKE.

I. ORIGIN, SCOPE AND GENERAL ACTIVITIES OF THE ORGANIZATION

[redacted]
[redacted]
furnished the following information on April 14, 1955,
and September 8, 1955:

The Nationalist Conservative Party was first started in late 1954 or early 1955 by WILLIAM B. WERNECKE, 6250 North Wayne Avenue, Chicago, Illinois. Early in 1955, small want ads began to appear with regularity in a number of metropolitan, neighborhood and foreign newspapers advocating support for the Nationalist Conservative Party of Chicago. These ads appeared in the personal column in the want ad section. These ads solicited "TAFT Republicans" and "MC CARTHY Republicans" to come and join the Nationalist Conservative Party. These ads appeared three and four times a week. In recent months there have been no ads appearing in newspapers regarding this Party.

In the spring of 1955 WERNECKE submitted several ads concerning his Party which appeared in newspapers located in the Southern states.

This organization purports to be a new extreme "right wing" political party and has invited interested people to become affiliated as members. No membership fee is presently required from those who desire to become members.

WERNECKE has been in close touch with many of the "well-known hate elements" throughout this country during the past several months.

According to [redacted] the few pieces of literature which WERNECKE has circulated promote an extremely reactionary point of view and state that neither the Republican nor Democratic parties merit the support of "real Americans."

WERNECKE has had no advertised meetings of the Nationalist Conservative Party, however, WERNECKE may have had a meeting or two of a few select individuals. WERNECKE is attempting to promote a new political movement with himself at the head.

Due to WERNECKE'S financial independence, he has been able to "dabble in a number of bigoted movements." WERNECKE'S inheritance included a farm in Huntley, Illinois, and an apartment building in Chicago.

WERNECKE has a hobby of collecting guns and practices shooting on his farm. WERNECKE has a [redacted] large collection of revolvers, rifles and shot guns.

[redacted] did not believe that WERNECKE was building an arsenal, but believed his gun collecting is a hobby.

WERNECKE is anti-EISENHOWER administration and he has been in touch either personally or by correspondence in the last few months with nearly everyone in the United States who has been active in the "well-known hate elements" throughout this country. By contacting these individuals WERNECKE hopes to gain a following.

WERNECKE has also sent out a large volume of mail consisting of membership blanks and brochures concerning the Nationalist Conservative Party. WERNECKE in return receives a considerable amount of mail.

WERNECKE is doing everything he can to stir up interest in himself, however, WERNECKE is noncommittal on most issues which may come up, but has indicated he is opposed to labor unions.

According to [redacted] this organization has not attracted the general attention of the American public. WERNECKE has only a vague promotional idea for his Party. As of the present time this Party has not "jelled" and has failed to take hold and attract interest.

II. OFFICERS

According to [redacted] WILLIAM B. WERNECKE heads the Nationalist Conservative Party. [redacted] also believed that [redacted] and one [redacted] are associated with WERNECKE in this movement. According to [redacted] do not have an official capacity with this organization but undoubtedly have similar ideas as WERNECKE. If this movement will benefit them to further their own ideas they will assist WERNECKE in his movement.

Information Concerning WILLIAM B. WERNECKE

[redacted]

The Silver Shirt Legion of America, the German-American Bund, and the Knights of the White Camelia have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

On June 11, 1943, WILLIAM B. WERNECKE was found guilty in Federal Court on two counts for the violation of the Selective Service Act of 1940. WERNECKE was sentenced to five years in the penitentiary on each count, to run concurrently and was fined \$10,000.

Information Concerning [Redacted] the
White Circle League.

The White Circle League of American was incorporated in the State of Illinois on November 9, 1949. Its charter was revoked on June 29, 1952, on the grounds that the literature of the League "was highly inflammatory and would cause conflict among the races."

According to the organization's charter, it was founded for the purpose of education, as to customs, civic and social standards, charitable purposes among its members, maintenance of schools thereff, and the dissemination of information and literature which pertains thereto and to safeguard the property of its members and tax research therein.

According to [Redacted] there has been no recent activity on the part of [Redacted] White Circle League of American, [Redacted] when the organization was active. It was [Redacted] opinion that the organization is now practically nonexistent.

III. STATED AIMS AND OBJECTIVES

[redacted] who has furnished reliable information in the past, on May 16, 1955, furnished literature which describes the aims and purposes of the Nationalist Conservative Party. This information is as follows:

"NATIONALIST CONSERVATIVE PARTY"

"THE MEANING OF THE NAME:-NATIONALIST CONSERVATIVE PARTY-

"NATIONALIST:- To advocate the unity and independence of our country. To believe that the interests of our country are above the interests of all other countries, and with unceasing zeal we pursue this course."

"CONSERVATIVE:- To preserve the institutions of our country; to preserve the wealth, the private property and the national resources of our country. To prevent wanton waste of our national income, to prevent squandering and give away programs to help any political party to buy votes, or squandering and give away programs by which politicians give billions of dollars to foreign countries for their

own selfish reasons.

"To demand an economical administration of government, a balanced budget, and a prompt reduction of our national bonded indebtedness.

"PROFITS IN WARTIME"

"Inasmuch as during the past two wars manufacturers and war workers have made huge profits out of war contracts, the Nationalist Conservative Party proposes the following policy:

"(1.) In time of war all labor shall be conscripted in the same manner as the men in the armed forces are conscripted and receive the same salary.

"(2.) All manufacturers of war materials and supplies to be required to accept contracts on open competitive basis, all profits will be set by Congress at a definite per cent ratio. The per cent of profit to be the same for all.

"LABOR UNIONS"

"Inasmuch as a large percentage of labor unions are controlled and dominated by thugs, roughnecks, grafters and Moscow inspired communists, and inasmuch as these quasi-bandits are not operating the unions for the benefit of the workers but for their own profit and for the benefit of corrupt political organizations, the Nationalist Conservative Party proposes the investigation and incarceration of all corrupt labor bosses and gangsters and corrupt, treasonable, communist labor organizers and the dissolution of such corruptly dominated unions until the time they are re-organized under the leadership of patriotic decent American citizens.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

CG 105-2790

"Inasmuch as each and every American citizen is guaranteed the sacred right to life, liberty and the pursuit of happiness, under the Constitution of the United States, the Nationalist Conservative Party will cause the arrest and prosecution of any labor leader, or any group of labor organizers or any labor thugs who attempt to prevent any American man or woman from working at any trade or profession or from working at any factory or place.

"Below is a copy of a United States Federal law which should and will be used against corrupt labor leaders who attempt to prevent American men and women from obtaining employment without first paying tribute to labor unions in the form of union dues.

"Law of the United States on conspiracy should be applied to labor bosses.

"If two or more persons conspire to injure, oppress, threaten or intimidate any citizen in the free exercise or enjoyment of any right or privilege secured to him by the Constitution or laws of the United States or because of his so having exercised the same...they shall be fined not more than \$5,000.00 and imprisoned not more than ten years and shall moreover, thereafter be ineligible to any office, or place of honor, profit or trust created by the Constitution or laws of the United States. (Section 19, United States Criminal Code (18 U.S.C. 51) titled 'Conspiracy to Injure Persons in the Exercise of Civil Rights').

"Any person who under color of any statute, ordinance, regulation, custom or usage of any state or territory, subjects or causes to be subjected, any citizen of the United States, to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to

the party injured in any action at law or suit in equity, or other proper proceeding for redress! (Section 43, U.S. Criminal Revised Statute, 1917).

"The above law protects American men and women from intimidation by labor bosses; the National Conservative Party proposes the full enforcement of this law against corrupt, violent labor unions and corrupt labor bosses.

"Therefore, the Nationalist Conservative Party demands the full privilege of the 'Open Shop' to all American workers. The Nationalist Conservative Party acknowledges the great and valiant work done in the past by the late Robert A. Taft, Senator of Ohio; in his fight against corrupt labor bosses, un-American labor laws, corrupt and Communist, labor bureaucrats, shyster labor lawyers and the criminal and treasonable New Deal and Fair Deal administrations which plagued our country. The Nationalist Conservative Party pledges itself to carry on this fight against labor racketeers until the time when all American workers may work wherever they please without any interference from labor union racketeers.

"FOREIGN POLICY:

"(1.) We will trade with all nations of the world except Communist Russia and her allies.

"(2.) A favourable balance of trade must be maintained.

"(3.) Absolutely no treaty alliances with any foreign country unless such treaty alliances are highly beneficial to the United States of America.

"Absolutely no give away programs of gifts of assistance to any nation. All loans to any foreign nation must be sound and backed by physical assets and physical collateral.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

CG 105-2790

"The United States of America must sever membership and relations with the infamous United Nations.

"NATIONAL DEFENSE"

"A strong national army must be maintained, the Nationalist Conservative Party asks Universal Military Training for all men and that attention be expressly given to a high degree of training and efficiency with a minimum of expenditure for each soldier.

"MONETARY PROGRAM:"

"The Nationalist Conservative Party proposes an American dollar of unfluctuating value, a dollar backed by physical assets and the physical resources and property of the United States: an American dollar with the purchasing power in the staple commodities of the 1930 American dollar.

"The Nationalist Conservative Party proposes the abolition of all Federal debt over fifteen billion dollars, this to be attained by a national sales tax if necessary.

"The Nationalist Conservative Party demands that the United States never face a war or an emergency with a high bonded indebtedness.

"The Nationalist Conservative Party believes the American people to be a high and noble race and therefore demands that we do not leave huge national debts as an heritage to our children.

✓ "The Nationalist Conservative Party was founded in 1954 by patriotic Americans who realized the need for a third party for the reasons that both the Republican and Democratic parties have become internationalized and infiltrated by Communists, Socialists, New Dealers, Fair Dealers, Bureaucrats, course roughnecks, and rabble-rousing grabby leaders.

"We founders of the Nationalist Conservative Party feel a burning need to organize and save our country. Section 87E of the Manual of Rules and Regulations reflects that thumbnail sketches must be submitted on all active organizations and those which have become defunct since the last sketch was submitted whether organization is national or local in scope. These sketches must contain the following information:

1-Accurate, clear and concise statements as to:

- A) Formation of organization.
- B) Its aims and purposes.
- C) The extent of domination and control of the organization by the Communist Party.
- D) The current status of the organization.
- E) It must reflect the true nature of the organization at all times from the date of its inception to the present. The date the information was received and the period to which it refers must be set out.

2-Information furnished must be substantiated by live confidential informants or by documentary evidence.

3-Where possible, data from corporation, tax, or other official records relative to the formation or dissolution of the organization and its aims and purposes should be used. (In this regard it should be noted that the Assumed Name Statute file located at the Clerk of County Court Office, Sixth Floor of the County Building, 118 North Clark Street and the Non-Profit Corporation Registration, located in the Secretary of State Securities Department, 188 West Randolph Street, Chicago often contain information concerning front groups. The memo containing the characterization should reflect that these files have been examined). The Non Profit Corporation records in the Secretary of State's Office should be checked to determine if the Corporation is registered as a non-profit ~~Illinois~~ corporation, identity of incorporators, and officers, dates of incorporation, and aims and purposes of the Non Profit Corporation.

CG 100-100-29093

Use of "T" symbols should be kept to an absolute minimum.

No source for information such as the address of the organization should be included in the sketch. (However, when sketches are submitted to the Bureau by separate communication a source for the address should be included).

Sketches should be submitted in memo form to the subject file with a copy to the Chicago Thumbnail Sketch File (100-29093).

A 5 X 8 card should also be prepared and forwarded with the characterization to SA [redacted] for inclusion in the characterization box. Both memos and cards must contain the informant's identity and reflect that the informant has furnished reliable information in the past.

b7C

These sketches should be approved by the supervisor handling the case of the organization and should reach SA [redacted] no later than May 15, 1956.

RE SAC Letter 55-62 regarding Thumbnail Sketches of Subversive Organizations.

On May 11, 1956. [redacted]

[redacted] advised that the Nationalist Conservative Party was first started in early 1955 by WILLIAM B. WERNECKE, 6250 North Wayne Avenue, Chicago, Illinois, and the party is considered as a one man organization.

The records of the Assumed Name Act file of the Clerk of Cook County, Chicago, Illinois, disclosed that this party was registered under certificate #100439 on January 27, 1955. This certificate disclosed that WILLIAM B. WERNECKE, 6250 North Wayne Avenue, Chicago, Illinois, and Huntley, Illinois, was operating as a political party at 6250 North Wayne Avenue, Chicago, under the name of the Nationalist Conservative Party.

b7C
b7D

[redacted] advised that early in 1955 ads appeared in Chicago papers soliciting "Taft Republicans" and "McCarthy Republicans" to come and join the Nationalist Conservative Party.

According to [redacted], the literature WERNECKE has circulated states that neither the Republican nor the Democratic Party merit support of "real Americans."

[redacted] advised that the Nationalist Conservative Party has never been an active organization and the activities have been confined mainly to occasionally sending out literature for promoting the Nationalist Conservative Party.

Cite Bundist Ties, Bar Gun Permits

Police Comr. Timothy J. O'Connor has revoked special police commissions to three agents of the American Humane Society with headquarters in the home of a former German-American Bund leader.

The action was taken Wednesday after police learned the society's headquarters at 6250 N. Wayne was also the home of William H. Wernecke, convicted draft dodger.

Issued In October

The special police commissions, permitting the carrying of guns, were issued Oct. 18 to Wernecke's wife, Ruth; Victoria Streeker, of 1705 W. Diversey, and Edith Drane, of 2453 N. Halsted.

The directors of the organization include Joseph B. Beauharnais, founder of the White Circle League of America, an anti-Negro group, and Mrs. Lyrl Clark Van Hyning, president of We the Mothers, World War II organization opposing American foreign policy at the time.

The society was chartered by Illinois April 11, 1956.

O'Connor said that the special police commissions were issued to the organization and its agents as "a routine matter." Such commissions under the

cists — an editorial, Page

law may be given to agents of animal welfare organizations to enable them to carry guns and make arrests in connection with acts of cruelty toward animals, he said.

Can Revoke Commissions
O'Connor said under the law he can revoke the special commissions at will. He added, he withdrew the permits when he learned of Wernecke's conviction and former Bundist connections.

Wernecke's organization has no connection with any of the recognized animal protective associations such as the Anti-Cruelty Society and the Animal Welfare League, O'Connor said.

Police Lt. John Nelligan, police personnel director, who investigated the Wernecke organization, said that he found no evidence of any animals at the Wayne Av. address.

Arming The Native Fascists

Three gun-carrying permits that never should have been issued in the first place have now been revoked by the Police Department. The permits to carry concealed firearms were issued in October to three women agents of an outfit linked to some of Chicago's almost-forgotten fascist figures.

The organization is the so-called American Humane Society, Inc., which alleges to be interested in animal welfare work. The society's headquarters are in the home of William B. Wernecke, convicted World War II draft dodger and former German-American Bund leader. Wernecke's wife, Ruth, is one of the agents who received special police commissions entitling them to pack guns.

One of the society's directors is Joseph Beauharnais, founder of the White Circle League of America, who was convicted and fined for peddling anti-Negro literature. Another director is Mrs. Lyrl Clark Van Hyning, onetime president of We, the Mothers, Inc., a crackpot isolationist group which advocated letting the Nazis conquer Europe by default in World War II.

Presumably, Beauharnais the hate-peddler has a more tender regard for the welfare of animals than he has for the welfare of some of his fellow humans, but it strikes us as a point worth investigating.

The special police commissions issued two months ago to Mrs. Wernecke and two other women, Victoria Stricker and Edith

Diane, not only authorized the carrying of guns but also gave them power to make arrests in cases involving cruelty to animals. Such commissions have been issued in the past to agents of the well-established and well-known Animal Welfare League and the Anti-Cruelty Society.

It is gratifying, of course, that the Police Department belatedly investigated the issuance of the commissions to Mrs. Wernecke and her two companions and finally revoked them. But it seems to us that the investigation might better have been undertaken when the applications for the commissions were first filed, particularly since one of the applicants—who was turned down—had a police record.

Meantime, the Board of Health might also investigate to determine whether the maintenance of an animal shelter in the Wernecke home complies with health and sanitation rules—provided that there is an animal shelter.

We have no evidence that the American Humane Society, Inc., is plotting the overthrow of our government, or that it could succeed in the task in any event. But we do question the wisdom of letting associates of Wernecke and Beauharnais—even women associates—carry concealed firearms under the auspices of the Police Department. Somebody goofed and it shouldn't be permitted to happen again.

SPECIAL POLICE AUTHORITY TO 3 BRINGS INQUIRY

Women Are Holders of Commissions

Lt. John Nelligan, personnel director of the Chicago police department, yesterday began an investigation of special police commissions given to personnel of the American Humane Society, Inc., 6250 Wayne av. This address is the home of William D. Werneck, former German-American Bund leader and convicted draft dodger.

The special commissions allow agents of the organization to carry guns and to make arrests pertaining to cruelty to animals, and are the only exceptions made by the city to the rule that only policemen have the right to carry concealed firearms.

Issued to Three Women

Three members of the society got the police commissions last Oct. 18, Nelligan disclosed. They are Werneck's wife Ruth; of the Wayne av. address; Victoria Strocker, 1705 Diversey pkwy.; and Edith Drane, 2453 N. Halsted st.

Nelligan said that a fourth applicant was turned down when it was found that he had a police record. All of the applicants were fingerprinted and processed thru the police bureau of identification.

Werneck admitted the organization has no official connection with the Animal Welfare league and the Anti-Cruelty society, veteran service organizations whose agents also have police commissions and police powers.

Beauharnais is Director
Directors of the American Humane Society, Inc., include Joseph B. Beauharnais, former president of the White Circle League of America, accused of attempting to arouse hatred toward the Negro race, and Mrs. Lyrl Clark VanHynning, president of the "We The Mothers Mobilize for America," a militant World War II organization opposed to interventionist foreign policy.

One of three legal advisers of the society is David Landau who testified against Ira Latimer, a former Communist party member who renounced communism in 1947; in Latimer's recent bid to be admitted to the practice of law in Illinois.

Latimer has charged that Landau has been serving the Communist conspiracy, altho Landau has testified under oath that he never was a Communist.

Werneck said he helped organize animal welfare organizations in Chicago in 1932, and had been active in the work for years. He said his organization had little to spend, but did "a lot of work."

"Gentlemen:

"The Nationalist Conservative Party was founded in 1954 by Patriotic Americans who realized the need for a third Party for the reasons that both the Republican and Democratic Parties have become internationalized and infiltrated by Communists, Socialists, New Dealers, Fair Dealers, Bureaucrats, and coarse, rough-neck, rabble rousing Labor Leaders.

"We founders of the Nationalist Conservative Party feel a burning need to organize and save our Country. The Republican and Democratic Parties have so exploited, taxed, milked and weakened the body politics of the United States of America that the time has come when the Goose that laid the Golden Egg is dying.

"The Nationalist Conservative Party is motivated by only the highest and patriotic ideals and composed of men who believe honor, country and decency to be their only purpose.

"We denounce and condemn the middle of the road, fence-straddling policy of the Republican and Democratic Parties and we earnestly ask your support and your pledge of membership.

U. S. HUMANE SOCIETY
INTERNAL SECURITY - X

Reurlet and memorandum dated March 29, 1957, captioned "The American Humane Society, Inc., aka. American Society for the Prevention of Cruelty to Animals, U. S. Humane Society, IS-X."

The title of this case is being changed to reflect the name by which the organization is currently known.

As you are aware William B. Wernecke, chairman of captioned organization, is head of the Nationalist Conservative Party which has recently become inactive.

A review of relet and memorandum fails to reflect why Wernecke formed captioned organization. Bufiles fail to reflect that Wernecke has been interested in the field covered by captioned organization in recent years, although many years ago he did serve as a member of the board of directors of The Anti-Cruelty Society in Chicago. He was expelled from this society after he allegedly attempted to obtain its membership list at gun point.

A review of referenced memorandum reflects that the majority of the individuals associated with Wernecke in captioned organization have in the past been members of various "hate groups," and that some of them, as a result of their affiliation with the U. S. Humane Society, were granted temporary special police commissions authorizing them to carry firearms and to make arrests. In view of the above facts it is possible that Wernecke may have had an ulterior motive and purpose in organizing the U. S. Humane Society. You should conduct appropriate discreet inquiries to determine Wernecke's reasons for organizing this group and to determine if his current interest in this field is legitimate. Submit the results of your inquiries in this regard to Bureau in memorandum form suitable for dissemination.

In connection with thumbnail sketches, Section 87E (6) contains the following instructions:

a. Submit thumbnail sketches:

(1) Annually by June 1 on all active organizations and on those which have become defunct since submission of last annual sketch, whether national or local in scope. No sketch should be submitted if existing sketch shows organization out of existence and no data received indicating organization reactivated. If sketch previously forwarded fulfills all requirements other than bringing up to date by recontact of informants, it is not necessary to restate entire sketch but is sufficient to advise that confidential informants (designate which informants and date of contact) were contacted and reiterated data previously given.

b. Thumbnail sketches should contain:

(1) Accurate, clear, and concise statements as to the formation of organization, its aims and purposes, period and extent of domination and control by Communist Party, and current status

(2) Information substantiated by live qualified confidential informants or documentary evidence

CG 100-29093

(3) Where possible, data from corporation, tax, or other official records relative to the formation or dissolution of the organization and its aims and purposes

(4) No source for such information as address of organization. However, source should be shown in letter transmitting sketch to Bureau.

(5) No unnecessary T symbols. Use of T symbols must be held to absolute minimum and each sketch submitted should be accompanied by statement that careful consideration has been given to sources concealed and T symbols used only where absolutely necessary. This statement also required where field is not furnishing new sketch but is advising the one previously forwarded fulfills all requirements.

In addition to the above instructions concerning organizations currently in existence, it should be noted that in some instances revised thumbnail sketches must be prepared on defunct organizations. Revisions on defunct organizations are necessary when the status of the informant who has previously furnished information concerning the organizations has changed. For example, when a SI or PSI (etc.) has furnished information concerning an organization and he is later deleted as an informant (etc.), the thumbnail sketch should be changed to reflect his current status as a former SI who has requested that his identity continue to be protected or whatever descriptive information is necessary.

It is again reiterated that the new thumbnail sketches or revisions must be prepared to reach SA [redacted] by May 10, 1957.

Oust Bund Chief from 2 Slums

3-Year Fight Won by City

A receiver Tuesday took over operation of two North Side tenements managed by former German-American Bund leader William B. Wernecke.

Appointment of the receiver Monday by Judge George M. Fisher in Superior Court climaxed a 3-year fight by the city to force repair of the buildings.

The buildings are located at 876 N. Wells and 930 N. Wells.

Wernecke, 48, headed the German-American Bund in Chicago before World War II and was convicted as a draft dodger in 1943.

W. B. WERNECKE

WERNECKE, who now operates a real estate firm from his home at 6250 N. Wayne, said the buildings are owned by a Miss Evelyn Lundquist of Huntley, McHenry County. He insisted he merely collects rent.

Irving Wexler, assistant corporation counsel, said that an investigation failed to confirm that there is such a person as Miss Lundquist.

The corporation counsel filed suit for receivership against Wernecke under a 1956 amendment to the city code which permits action against rent collectors when the building's owners cannot be found.

Outside of court, Wexler described the buildings as "rat infested" and overcrowded.

WERNECKE also operates the "American Humane Society" in his home, an organization chartered by the state, but having no connection with the Animal Welfare League.

In February, Corporation Counsel John P. Melaniphy recommended repeal of a city ordinance permitting humane officers like Wernecke to carry guns because, he said, the city could be sued if Wernecke shot someone.

On May 16, 1955, a source, who has furnished reliable information in the past, furnished literature distributed by the NCP which described the aims and purposes of the NCP as favoring the capitalistic system in this country, advocating the incarceration of all corrupt labor union officials, the dissolution of corrupt unions and demanding the full privilege of the "open shop" to all Americans. The NCP was opposed to gifts of assistance to any nation and to United States participation in the United Nations. BOMBINGS AND ATTEMPTED BOMBINGS
IN SOUTHERN COMMUNITIES
RACIAL MATTERS

ReBuairtel to all continental offices dated October 13, 1958, captioned "Informant Coverage In Organizations Which May Be Engaged In Violent Activities Involving Minority Groups" and SAC Letter 58-63 dated October 13, 1958, dealing with press statements in bombing cases having apparent racial or religious basis.

In carrying out our responsibilities to give full assistance to local police departments and in determining whether any Federal violations under the Bureau's jurisdiction exist with respect to bombings and attempted bombings, there is a possibility that "hate" groups such as the Washington White Citizens Council, the National States Rights Party and the Confederate Underground may be involved either in the planning of or the actual carrying out of these terroristic activities. As a part of our over-all investigative effort to determine the identities of those responsible for the bombings, the Bureau has initiated a program of immediately launching intensive investigations of "hate" groups. It should be kept firmly in mind at all times that the primary purpose of the intensive investigations of these "hate" groups is to determine whether the leaders or members of these groups are involved in any way in the bombings which have taken place since January 1, 1957.

In order to assist the field, the Bureau has compiled the following list of known "hate" groups for use in implementing this program.

Each office of origin of the groups listed above should
launch an immediate investigation to determine whether these groups

occurred since January 1, 1957. In order to accomplish this, it will
be necessary to determine the present leaders and membership of the
groups and to establish the pattern of their activities during the
pertinent period, that is whether they have advocated violence or
are of such a radical nature as to present a potential for violence.
These cases must be assigned to mature, experienced Agents and must
receive the personal supervision of the Assistant Special Agent in Charge or Special Agent in Charge. Careful planning must go into
the approach to these investigations and it is expected the appropriate
initiative and ingenuity will be exercised to achieve results.
Sufficient manpower must be assigned in order that all investigation
may be handled promptly and a determination can be made as to whether
any of these groups are involved in the bombings. You must, of course,
comply with instructions set forth in reairtel to develop sufficient
informant coverage so that you will be advised on a continuing basis
of the plans and activities of these groups.

Re: BOMBINGS AND ATTEMPTED
BOMBINGS IN SOUTHERN COMMUNITIES

Each office of origin must advise the Bureau within ten days of receipt of this communication that an investigation has been launched of the groups in its jurisdiction together with an outline of the investigative plan and the number of Agents assigned to carry out the investigation. Thereafter, reports must be submitted each thirty days until the Bureau advises to the contrary or until the group under investigation has definitely been eliminated as having any connection with the bombings. Of course, any significant development in the case should be promptly furnished to the Bureau by whatever means of communication deemed warranted. All communications and reports submitted concerning a specific group should bear the title of the group with the character Internal Security - X; Racial Matters. The original and four copies of reports must be submitted.

In connection with the over-all program, all offices must search their indices to determine whether there are other "hate" groups than those listed above. In the event any such groups are located in the search of the files the Bureau should be promptly advised of the identity of the group together with a statement as to whether investigation is being initiated. If investigation is not to be undertaken, complete justification for not so doing should be included in the communication to the Bureau.

All offices except the offices of origin in the groups listed above should search their files for information concerning the above-listed groups and promptly furnish such information, where not previously done, to the Bureau and the offices of origin. In addition all offices should contact logical informants and sources in order to develop any information available concerning the possible identities of individuals who may have some connection or knowledge of the bombings which have taken place since January 1, 1957. The Bureau should be advised by October 28, 1958, the results of file searches and the contacts with logical informants and sources and all offices should continue to be alert for and alert their logical informants and sources to promptly bring to their attention any pertinent information concerning bombings and attempted bombings. Such information should be promptly reported to the Bureau.

This is a program, which if exploited to its full potential, could well lead to the solution of the bombings. Therefore, it must receive continuous and expeditious attention.

Los Angeles files likewise disclose no information concerning [redacted] and JESSE B. STONER not known to the Bureau and the offices of origin. b7C

It has, of course, been brought to this office's attention in the past few years that literature issued by certain of the above organizations, namely, the Christian Educational Association, the Christian Patriots Crusade, the National Citizens Protective Association, and the National Renaissance Party (most commonly the first mentioned), has been distributed, usually by unknown persons via mail and under circumstances indicating no effort to organize branches in the Los Angeles area.

The literature concerning the National Renaissance Party has been invariably small, poorly done, mimeographed leaflets discovered during the past year inserted between the pages of books in school and public libraries in the Los Angeles vicinity, alluding to no local address or activities but attempting to interest the reader in subscribing to the organization's "Bulletin."

LA 105-6075

Of possible interest is [redacted]

[redacted] it is interesting that none such mentioned activities on [redacted] part had previously come to this office's attention, and presumably were greatly exaggerated, if not total falsehoods.

The following is submitted for the Bureau's consideration in regard to the organizations mentioned in rebuairtel as existing in the Los Angeles area, along with two others which, file reviews show, fall in the category of "hate" mongers:

b7C

CHRISTIAN NATIONALIST CRUSADE, aka
(Bufile 62-43818)

The CNC continues to maintain its mailing headquarters in Glendale, California and is, along with its various "paper" auxiliaries, the media through which GERALD L. K. SMITH. [redacted]

[redacted] maintains the publication of racially biased propaganda and preserves his following through personal appearances at meetings held in Los Angeles and sometimes in the course of tours across the country.

SMITH and his organizations have been the subject of continuous investigation by the Bureau for many years until as recently as last year. He has not been found to advocate that his followers engage in violence of any kind, or that violence be involved in the solution of any of the problems he presents to his audiences and readers.

[redacted] who has maintained an active interest for years in SMITH (and the CNC) in view of his frequent

meetings at the Embassy Auditorium in Los Angeles, stated on October 20, 1958, that SMITH and his associates, including the former California Klan leader, Rev. WESLEY SWIFT, have never committed themselves to a course of violence. He said that SMITH's organizations are not membership organizations but are only "paper" organizations, and thrive on the sale of literature, almost entirely of SMITH's own production, and the contributions from his audiences at meetings and others who approve the tenor of his literature and accede to his frequent appeals for funds. (His CNC, as a "national political committee" makes regular reports to Congress under the Federal Corrupt Practices Act, listing the names of those who contribute over \$100.)

He stated SMITH's activities are always open and aboveboard, and his character is such that were he to be approached by the authorities he would more than likely turn over the keys to his office, to the embarrassment of his interviewers. It is this openness, coupled with his unique oratorical and organizing abilities, and an excellent sense of discretion in relation to the legality of his movement, that has permitted him to endure as the pre-eminent public crusader of a "white Christian America." His continued success remains dependent on these considerations, and his being involved in any way with the illegal activities of violence, such as the bombings in the South, would be his downfall. In other words, he has too much to lose to involve himself in such activities.

Moreover, SWIFT is too intelligent a man to have not come to realize with the passing of time that the course most conducive to his own interests (if he ever thought otherwise) is one of avoiding similar involvement. AMERICAN NATIONALIST
(Bufile 105-22921);

KEEP AMERICA COMMITTEE
(Los Angeles file 100-33703)

The American Nationalist (AN), Post Office Box 301, Inglewood, California, is the name under which FRANK L. BRITTON, 11146 Hawthorne Boulevard, Hawthorne, publishes (on an irregular basis) the four-page "The American Nationalist" and miscellaneous anti-Semitic and anti-Negro leaflets, replete with lurid photographs which he mails locally and allegedly to addressees in the southern states. BRITTON and the AN have been the subject of previous investigation by this Office in 1953 and again in 1956. At those times it was learned that BRITTON operates alone and is engaged solely in the sale of his own literature, making frequent appeals for subscriptions to his literature and donations to continue his efforts.

b7C

[redacted] Inglewood, California, stated on October 22, 1958, that BRITTON's AN has been investigated by the Postal Inspectors on four or five different occasions, but has never been found to have misused the mails, having never advocated the use of violence in his literature. He said that BRITTON frequently visits the Post Office to deposit batches of his literature in the mails, destined to addressees locally and in the southern states. He added that the AN is not a membership organization, conducts no meetings, and is solely operated by BRITTON for the purpose of selling his literature and seeking donations, through these means, "earning" a living for himself and his wife. He added that BRITTON is not the sort to get along with others and he has never sought the association of others in his AN.

The Keep America Committee (KAC), Box 3094, Terminal Annex, Los Angeles, California, is, similarly, a name behind which Mrs. HELEN W. COURTOIS, 1405 Sutherland Street, Los Angeles, publishes literature, usually reprints of other "nationalist" literature. None of the various items that have come to this Office's attention advocates violence,

LA 105-6075

seeks membership or mentions organized activity, but only indicates that the particular items can be ordered in batches at a price from the KAC.

[redacted] (above) both state that their organizations have been actively interested in BRITTON's AN and COURTOIS' KAC and have learned that the AN and KAC are not and have never sought to be membership organizations, hold no meetings and are operated solely by BRITTON and COURTOIS for the production of literature. They stated that neither is known to have advocated violence or to have been associated with anyone who has. ROOS added that COURTOIS is a woman in her later 50's or early 60's. They stated that it is not conceivable that either BRITTON or COURTOIS have any connection with the bombings in the South and that neither has the ability nor the funds to engage in any activities outside the state, except for the mailing of literature.

[redacted] of the Anti-Subversive Detail of the Los Angeles Sheriff's Office; Detective Captain [redacted] of the Pasadena, California, Police Department; Detective Captain [redacted] of the Glendale, California, Police Department, and Detective Lieutenant [redacted] of the Inglewood, California, Police Department (on October 22, 1958), were able to furnish no additional pertinent information concerning BRITTON and COURTOIS.

b7C

GENERAL

All of the above-mentioned sources stated they have received no information indicating anyone or any organization locally advocates the use of violence in racial matters, or that anyone is suspected of involvement in the recent bombings in the South.

Contact with security informants and all other logical informants and sources has been unproductive but has served to alert them to the importance of immediately forwarding information concerning persons or organizations possibly relating to bombings in the South to this Office. Contact with them will be maintained on a continuing basis.

RECOMMENDATIONS

It is recommended that no active investigation be undertaken in connection with [redacted]

b7C

[redacted] in view of [redacted]
and [redacted] disassociation from his past activities, being presently absorbed in his new business. It is also considered, being "one-man" operations of a nonmembership type engaged in issuing literature, investigations of BRITTON's American Nationalist and COURTOIS' Keep America Committee are not warranted and would be ineffective in achieving the Bureau's primary purpose in these investigations; consequently, no active investigation will be conducted of these three organizations, UACE.

With regard to SMITH's Christian Nationalist Crusade: From investigation conducted in the past (until 1957), the continuing review of literature emanating from the CNC and the continuing attention it receives from local sources, a presumptive pattern has been established indicating that SMITH and his associates are not of such a radical nature as to present a potential for violence, except, of course, insofar as deep-seated, racial ill-feeling is engendered in some readers of his literature. In investigating SMITH and his associates to ascertain whether the above-mentioned presumptive pattern does not apply equally to their activities when outside of California, it would seem necessary to establish a source among [redacted]

b7C

[redacted] which, it is believed, would constitute a grave risk of embarrassment to the Bureau, because it is apparent that the interests of each associate is the interest of all. Other investigative steps, it is believed, could hardly achieve the primary purpose for initiating investigation.

The Bureau is requested to advise whether it desires the risk be undertaken, nevertheless, or whether it is thought a direct approach to SMITH and/or any of his associates, and for that matter BRITTON, WILLIAMS and COURTOIS, for any information they may have heard in connection with the southern bombings, is not warranted. SMITH may, in the past, have ridiculed the idea of the FBI investigating him and his organization(s), but it is not recalled that he has been critical of the Director or the FBI.

This Office will, in addition, review its files to identify certain individuals who may have participated in Klan activities years ago to establish their present activities and to determine if they might properly be considered within the Bureau's program.

BOMBING CASES HAVING APPARENT RACIAL OR RELIGIOUS BASIS

By SAC Letter No. 58-63 you were instructed to take certain steps in cases involving bombings having an apparent racial or religious interest with resultant widespread publicity interest. In view of the number of cases arising involving the bombings of schools, churches, and other edifices, and since time is of the essence in handling such investigations, it is necessary that the field office receive immediate notification of any such bombing. It is desirable that each office have a proposed plan of action which can be immediately activated to enable the Bureau to carry out its responsibilities in a most efficient manner.

By airtel of October 20, 1958, you were further directed to prepare appropriate instructions for the personnel of your office as to the manner in which such a program could be placed into effect. In this connection you should make certain that your instructions include the following points:

I. Notification

- A. The employee receiving the information concerning the bombing must immediately notify the SAC or whoever is acting in his absence giving full details of all available information. The employee will then furnish such information to the ASAC.
- B. The SAC or individual acting in charge of the office must immediately notify the Bureau by telephone furnishing the known facts and obtain authority in each instance to make an immediate statement to the press.
- C. The SAC or individual in charge will contact the press in accordance with SAC Letter No. 58-63.

- D. The SAC or individual in charge will contact the local authorities and extend the FBI services.
- E. The ASAC will arrange for immediate notification of necessary Agent personnel. This should be handled in the most expeditious manner. You may desire to setup a system whereby each Agent upon receiving notification is responsible for immediately notifying another designated Agent thus increasing the number of Agents that may be contacted in the shortest possible time. Agents should proceed to the office or to the scene of the bombing to carry out their previously designated assignments.
- F. The ASAC may in instances involving bombings having apparent racial or religious basis immediately notify neighboring offices by teletype so that such offices may begin an immediate check as to the whereabouts of possible suspects.

II. Assignments

- A. The SAC or person acting in his absence will immediately proceed to the scene of the bombing and will be responsible for the over-all supervision and coordination of all Bureau activities.
- B. The ASAC, the second in command, will remain at the field office.
- C. An Agent should be designated to maintain liaison with the police. Consideration should be given to having this individual stationed at police headquarters so that he may immediately obtain any pertinent information coming to the attention of local authorities.
- D. Military liaison. Consideration should be given to having an Agent responsible for liaison with military authorities. This is particularly important in instances wherein it may be necessary to request explosive or detonation experts from a military establishment to handle explosives found at the scene which have not been discharged. Of course, it will not always be necessary for military explosive or detonation experts to be called to the scene.

- E. Crime scene search. Agents must be designated in advance who will be responsible upon notification to immediately proceed to the scene and handle the crime scene search.
- F. Informants. An Agent should be designated in advance to immediately contact by the most expeditious means all informants who are in a position to have knowledge concerning the bombing or individuals responsible therefor.
- G. Neighborhood investigation. Agents who have been previously designated should immediately upon notification proceed to the scene to institute immediate investigation in neighborhood of the crime scene.
- H. Suspects. Agents previously designated should upon notification of a bombing institute immediate investigation to account for the whereabouts during the pertinent period of logical potential suspects.

III. Your office should at this time review files and maintain a list of potential suspects who may be affiliated with any of the various "hate groups" and/or have indicated they might resort to violence. The suspects should be assigned to designated Agents who will be responsible for developing at the earliest possible time background information regarding each suspect. Such background should include information as to the suspect's residence; his place of employment and hours of employment; description of his automobile together with the license number; photograph of suspect; identification record of suspect; and a reliable neighborhood source.

// In addition to an Agent being responsible for designated suspects, there should also be an alternate Agent responsible for the background information on each suspect.

IV. Observation. It is recognized, of course, that there are varying factors and conditions existing in different localities throughout the country and your program must be designed to most efficiently cover the areas within your territory. The foregoing are submitted as suggestions for the implementation of the program in your office and are not to be considered as all inclusive. A program

must be devised to permit immediate action in instances where you will initiate active investigation.

You should advise the Bureau within ten days of the receipt of this communication of the individuals within your territory being considered as potential suspects in such matters.

All investigation must be afforded thorough, expeditious attention. The Bureau must be kept currently informed of developments. The office of origin must submit a daily teletype summary to the Bureau setting forth results of investigation conducted on that date and indicating in detail the investigation to be handled the following date.

The files of the Philadelphia Office reflect that [redacted] a prolific letter writer and distributor of various types of anti-Semitic and anti-Negro literature, has been connected with the White Citizens Council (WCC). There is no information indicating the existence of a formal WCC organization in Philadelphia. In this connection, however, the "Philadelphia Tribune," a Negro newspaper, in its issue of 10/21/58, Page 1, Column 2, contained an article captioned, "Race Hate Fanatics Make Jews, Negroes Targets of Attacks." This article states that a "fanatical white segregation group has been organized in the heart of West Philadelphia with the aim of terrorizing and persecuting the Negro and Jewish citizens of this city." The article continues that the "Philadelphia Tribune" has learned through "extremely reliable sources" that an officer of the White Citizens Councils of the South has opened a branch headquarters in the vicinity of 44th and Locust Streets, an interracial community. From an apartment in this area, not further identified, the local "president" of the group reportedly has mailed out thousands of pamphlets and letters to white residents in which Negroes and Jews are defamed.

The pamphlets urge that the reader join in the "race-hate organization" which has as its first mission the destruction of the National Association for the Advancement of Colored People (NAACP) in Philadelphia, and, secondly, the passage of legislation which would bring about segregation in local restaurants, theaters, hotels, public housing and churches. The article states that while the group has little hope of achieving its two major objectives, it has, "nevertheless, managed to recruit several hundred members into the race baiting cult."

PH 105-4088

While the article failed to identify the local organizer or give the exact address of the WCC, it described the local organizer as a "diminutive, cringing, furtive man who moved into the West Philadelphia apartment about three years ago. Last year he reportedly ordered and received 100 White Citizens Council membership cards from Texas. He has, on occasion, also received large batches of membership cards from Alabama, Mississippi, and Georgia. This individual also reportedly receives copies of White Citizens Council periodicals from Jackson, Miss., which are described as "the most inflammatory of all which are permitted to go through the mails."

The article states further that several weeks ago, the local organizer placed a shingle outside his apartment house door proclaiming himself as the local representative for the National Association for the Advancement and Improvement of White People. Criticism by white and Negro residents of the neighborhood was so intense that he removed the shingle after allowing it to remain outside his apartment door for only one day.

In connection with the above, the Philadelphia Office, on October 23, 1958, through SA [redacted] contacted U. S. Post Office Inspector in Charge A. J. HARKINS on the above. He stated his office has received no information or complaints regarding literature being mailed which emanated from the area of [redacted]. He stated he will advise this office immediately of any information whatsoever concerning this matter, particularly any data which identifies or will help to identify the local "president." b7C

NATIONALIST CONSERVATIVE PARTY

-THE MEANING OF THE NAME:-NATIONALIST CONSERVATIVE PARTY-

NATIONALIST:~ To advocate the Unity and Independence of our Country. To believe that the interests of our Country are above the interests of all other Countries, and with unceasing zeal we propose to pursue this course.

CONSERVATIVE:~ To preserve the institutions of our Country, to preserve the wealth, the private property and the National resources of our Country. To prevent wanton waste of our National income, to prevent squandering and give-away programs to help any political party to buy votes, or squandering and give away programs by which politicians give billions of dollars to foreign Countries for their own selfish reasons.

To demand an economical administration of Government, a balanced budget, and a prompt reduction of our National bonded indebtedness.

PROFITS IN WARTIME

Inasmuch as during the past two wars manufacturers and war workers have made huge profits out of war contracts, the Nationalist Conservative Party proposes the following policy:

(1.) In time of war all labor shall be conscripted in the same manner as the men in the armed forces are conscripted and receive the same salary.

(2.) All manufacturers of war materials and supplies to be required to accept contracts on open competitive basis, all profits will be set by Congress at a definite per cent ratio. The per cent of profit to be the same for all.

LABOR UNIONS

Inasmuch as a large percentage of Labor Unions are controlled and dominated by thugs, roughnecks, grafters and Moscow inspired communists, and inasmuch as these quasi-bandits are not operating the Unions for the benefit of the workers but for their own profit and for the benefit of corrupt political organizations, the Nationalist Conservative Party proposes the investigation and incarceration of all corrupt Labor Bosses and gangsters and corrupt, treasonable, communist labor organizers and the dissolution of such corruptly dominated Unions until the time they are re-organized under the leadership of Patriotic decent American Citizens.

AIMS and PURPOSES

of the

NATIONALIST CONSERVATIVE PARTY

This pamphlet briefly describes some of the Aims and purposes of the Nationalist Conservative Party, the conditions in the United States which necessitate the forming of a third party, the faults and mistakes of the two major Parties, namely the Republican and the Democratic Parties, the brazen crimes and injustices committed against the people of the United States by the Democratic Administrations in the past.

This pamphlet will further briefly outline how the Nationalist Conservative Party will endeavor to correct the evil and tragic conditions which now beset our Nation.

LABOR UNIONS-Cont'd-

Inasmuch as each and every American-Citizen is guaranteed the Sacred right to Life, Liberty and the pursuit of Happiness, under the Constitution of the United States, the Nationalist Conservative Party will cause the arrest and prosecution of any Labor Leader, or any group of Labor Organizers or any Labor thugs who attempt to prevent any American man or woman from working at any trade or profession or from working at any factory or place.

Below is a copy of a United States Federal Law which should and will be used against corrupt Labor Leaders who attempt to prevent American men and women from obtaining employment without first paying tribute to Labor Unions in the form of Union Dues.

P Law of the United States on Conspiracy
Should be applied to Labor Bosses.

"If two or more persons Conspire to Injure, Oppress, Threaten or intimidate any Citizen in the Free Exercise or enjoyment of any Right or Privilege secured to him by the Constitution or Laws of the United States or because of his so having excercized the same.... They shall be fined not more than \$5,000.00 and imprisoned not more than Ten Years and shall moreover, thereafter be Ineligible to any Office, or Place of Honor, Profit or Trust created by the Constitution or Laws of the United States. "(Section 19, United States Criminal Code (18 U.S.C. 51) titled "Conspiracy to Injure Persons in the Excercise of Civil Rights)".

"Any person who under Color of any Statute, Ordinance, Regulations, Custom or Usage of Any State or Territory, Subjects or Causes to be Subjected, Any Citizen of the United States, to the Deprivation of any Rights, Privileges, or Immunities secured by The Constitution and Laws, Shall be Liable to the Party injured in any action at Law or Suit in Equity, or other Proper proceeding for Redress." (Section 43, U.S. Criminal Revised Statute, 1917).

The above law protects American men and Women from intimidation by Labor Bosses; the National Conservative Party proposes the Full Enforcement of this law agains corrupt, violent Labor Unions and corrupt Labor Bosses.

Therefor the Nationalist Conservative Party demands the full privilege of the "Open Shop" to all American Workers. The Nationalist Conservative Party acknowledges the great and valiant work done in the past by the Late Robert A. Taft, Senator of Ohio; in his fight against Corrupt Labor Bosses, Un-American

LABOR UNIONS-Cont'd-

Labor Laws, Corrupt and Communist, Labor Bureaucrats, Shyster Labor Lawyers and the Criminal and Treasonable New Deal and Fair Deal Administrations which plagued our Country. The Nationalist Conservative Party pledges itself to carry on this fight against Labor Racketeers until the time when all American Workers may work wherever they please without any interference from Labor Union Racketeers.

FOREIGN POLICY:

(1.) We will trade with all Nations of the World except Communist Russia and her Allies.

(2.) A favourable balance of Trade must be maintained.

(3.) Absolutely no Treaty Alliances with any Foreign Country unless such Treaty Alliances are highly beneficial to the United States of America.

Absolutely no Give Away Programs or Gifts of Assistance to any Nation. All Loans to any Foreign Nation must be sound and backed by physical assets and physical collateral.

The United States of America Must sever Membership and Relations with the infamous United Nations.

NATIONAL DEFENSE

A strong National Army must be maintained, The Nationalist Conservative Party asks Universal Military Training for all men and that attention be expressly given to a high degree of Training and efficiency with a minimum of expenditure for each soldier.

MONETARY PROGRAM:

The Nationalist Conservative Party proposes an American Dollar of unfluctuating Value, a Dollar backed by physical assets and the physical resources and property of the United States: An American Dollar with the purchasing power in the Staple Commodities of the 1930 American Dollar.

The Nationalist Conservative Party proposes the Abolition of all Federal Debt over Fifteen Billion Dollars, this to be attained by a National Sales Tax if necessary.

PAGE FOUR

MONETARY PROGRAM:-Cont'd-

The Nationalist Conservative Party demands that the United States never face a War or an emergency with a High Bonded Indebtedness.

The Nationalist Conservative Party believes the American People to be a high and noble race and therefore demands that we do not leave huge National Debts as a Heritage to our Children.

NATIONALIST CONSERVATIVE PARTY

NATIONALIST CONSERVATIVE PARTY
6250 N. Wayne Avenue Chicago 40, Illinois

Gentlemen:

The Nationalist Conservative Party was founded in 1954 by Patriotic Americans who realized the need for a third Party for the reasons that both the Republican and Democratic Parties have become internationalized and infiltrated by Communist, Socialists, New Dealers, Fair Dealers, Bureaucrats, and course, rough-neck, rabble rousing Labor Leaders.

We founders of the Nationalist Conservative Party feel a burning need to organize and save our Country. The Republican and Democratic Parties have so exploited, taxed, milked and weakened the body politic of the United States of America that the time has come when the Goose that laid the Golden Egg is dying.

The Nationalist Conservative Party is motivated by only the highest and Patriotic ideals and composed of men who believe honor, country and decency to be their only purpose.

We denounce and condemn the middle of the road, fence-straddling policy of the Republican and Democratic Parties and we earnestly ask your support and your pledge of membership.

This briefly tells you something of the new Third Party which is an extreme Right Wing Party.

Enclosed are two printed sheets which describe the type of political philosophy which the Nationalist Conservative Party opposes and further describes the type of Political philosophy with which we agree.

Very truly yours,

NATIONALIST CONSERVATIVE PARTY

Dear Member:

This letter is to inform you that the Nationalist Conservative Party is active and energetically working to increase its membership. We are most sorry that we have not communicated with you sooner to keep you in touch with events and Party Activities.

???

We are at present advertising in 14 of the leading Newspapers through out the United States plus the activity of the individual local and county organizations.

Enclosed please find your Automobile windshield sticker which we hope you will place on your car immediately.

Will you organize and lead your local chapter of this Party in your home neighborhood? It is, of course, vital that local, precinct and county chapters of the Nationalist Conservative Party be commenced immediately. If you wish any instructions on how to organize a local chapter, please write us for information and literature.

We are enclosing two membership blanks, would you please have these blanks filled out by two people and send in, their cards will be sent to them. This is the only way an honest and uncorrupted Party such as ours can increase our membership. We do not have donations from international bankers to pay for expensive Radio time, etc.

Thanking you, I remain,

Very truly yours,

Wm. B. Wernecke,
National Chairman,

Dear [REDACTED]:

I have not heard from you for quite a while, is there news? I am enclosing a copy of a poem written by Robinson Jeffers in the book, "The Double Ax".

Please let me know what you think of it. I have always considered the "Original Sin" as taught in Christian doctrine very wrong. I never believed our God would attach sin to a new born baby. I know you think on religious matters, so I would very much like your reactions to this poem.

I addressed a Philosophy Class in Northwestern last month on Nationalism; I had no trouble with any point, an adverse audience was unable to make any points.

THIS POEM PORTRAYS GOOD PHILOSOPHY AND THOUGHT FOR
MEMBERS OF HUMANE SOCIETIES AND ANIMAL RESCUE WORKERS

T H E K I N G O F B E A S T S

CATTLE in the slaughter-pens, laboratory dogs
slowly tortured to death, flogged horses, trapped
fur bearers,
Agonies in the snow, splintering your needle teeth on
chill steel-lock:

Mankind, your Satans, are not very happy either, I
wish you had seen the battle-aqualer, the bombings,
The screaming fire-deaths, I wish you could watch the
endless hunger, the cold, the moaning, the hope-
lessness.

I wish you could smell the Russian and German torture-
camps. It is quite natural the two footed beast
That inflicts terror, the cages, enslavement, torment and
death on all other animals
Should eat the dough that he mixes and drink the death-
cup. It is just and decent. And it will increase, I
think.

By Robinson Jeffers

ADDITIONAL PLANK TO THE PARTY PLATFORM OF THE
NATIONALIST CONSERVATIVE PARTY
6250 N. Wayns Ave. Chicago, Illinois

HUMANE PLANK

Never before has any political party embodied in it's Party platform a Humane Plank, a plank giving rights and protection to animals, birds and reptiles, that is to say, any of God's creatures which are capable of feeling pain and suffering. The Magna Carta, The United States Constitution and Bill of Rights set down rules guaranteeing the Rights and privileges of Human beings and also guaranteeing protection to Human beings against physical and mental pain, torture and suffering to them. However, no political platform or moral code has yet been proposed and enacted to protect the living creatures other than Humans. Therefore the Nationalist Conservative Party proposes the following protective code for animals and all of God's living creatures. The Nationalist Conservative Party is most proud to do this and feels that by so doing, it shall be blessed in the sight of God.

The Nationalist Conservative Party will immediately enact laws making it a felony, punishable by long terms of imprisonment for any person to wound or mis-treat or cause to suffer in any way, physically or mentally, any living animal or creature.

The Nationalist Conservative Party will abolish all forms of slaughter which causes suffering, mental or physical, to any animal or any of God's living creatures.

The Nationalist Conservative Party will abolish all vivisection of any living creature if in the course of that vivisection the animal may suffer mentally or physically.

The Nationalist Conservative Party intends by this plank to give to all of God's living creatures within the realm of the Sovereignty of the United States, the same equal rights and protection which is given to a Human being in the United States.

The Nationalist Conservative Party proposes the immediate enactment of Laws which will stop forever any form of cruelty to any of God's living creatures, Within our Country.

We believe that this Humane Plank in our Party Platform, when carried out, will bring to our Country and to the World, God's true blessing. For it is a fact that in the past, animals have been allowed to be treated in a cruel, scandalous and execrable fashion by our Citizens.

Man, himself, being nothing more than one of God's creatures, will respect the Platform of the Nationalist Conservative Party and the Nations of the World will respect the Nationalist Conservative Party and the People of the United States for having enacted these Humane Laws; for the people of the World will realize that any Nation that respects the rights of all of God's living creatures, that same Nation will also respect the rights of Man.

The Nationalist Conservative Party believes that as soon as cruelty of any kind mental or physical, to any of God's living creatures has been made a felony, punishable by long terms of imprisonment, acts of cruelty to any of God's living creatures will cease to be committed and will occur only in rare cases by perverted and insane individuals who will quickly be imprisoned and kept where they can commit no further crimes.

MEDICAL FREEDOM PLANK
of the

NATIONALIST CONSERVATIVE PARTY
6250 N. Wayne Ave. Chicago, Illinois

The NATIONALIST CONSERVATIVE PARTY recognizes the fact that there exists an American Medical Trust which is composed of:

- (1.) The American Medical Association and its many allied and affiliated State Medical Associations.
- (2.) The Drug Manufacturers.
- (3.) Thousands of Hospitals controlled by the American Medical Association.
- (4.) The Tax Free Universities, The State College and University Medical Schools and Research Hospitals and Laboratories.
- (5.) The Ford and Rockefeller Research Foundations and many other highly financed Foundations, which provide the Grants, Fellowships, Scholarships, Projects and Funds that total about seven hundred Million (\$700,000,000.00) dollars a year income.
- (6.) The huge Tax Free Bequests and Legacies willed each year to Hospitals, Universities, Research Foundations, etc., and other affiliates of the American Medical Trust.
- (7.) The Medical Fund-raising Racketeers such as: Infantile Paralysis Funds, Tuberculosis Associations, Cancer Societies, Heart Associations, Multiple Sclerosis Associations, Committees for Mental Hygiene, etc., which exploit the Public yearly for sums well over seventeen million Dollars. (\$17,000,000.00)
- (8.) The United States Public Health Service, the thousands of City, State and National Insane Asylums, Hospitals and Institutions.
- (9.) The Veterans' Administration Hospitals.
- (10.) The Medical Corps of the United States Armed Forces, (which controls the lives and well being of millions of men and women in the United States Armed Forces.)

The American Medical Trust maintains and operates a huge Government and Legislative lobby with lobbyists in all City Governments, State Legislatures and in our United States Congress.

The NATIONALIST CONSERVATIVE PARTY further recognizes the fact that no group, organization, cartel or monopoly, such as the American Medical Trust, should ever possess a strangle hold on the American People like the one which this group is now exerting.

With their enormous Billion Dollar Power, the American Medical Trust forces upon our Nation illegal, cruel and Un-American Laws which compel the Citizens of the United States to submit their bodies to compulsory vaccinations, injections, cruel and injurious operations, cruel and injurious tests and examinations, cruel and injurious surgical and medical experiments against their will. Many of our Citizens are now being forced to violate the Sacred Command of their Religious Beliefs and Doctrines by having these tests, operations, injections, vaccinations and treatments. This crime is being done under the direction and domination of the American Medical Trust and for the profit of the American Medical Trust.

The NATIONALIST CONSERVATIVE PARTY will immediately enact Laws protecting the Constitutional Rights of every person within our Country. These Laws will prevent any person from being forced to accept any type of Medical treatment without the person's full consent.

The NATIONALIST CONSERVATIVE PARTY will enact immediate Laws making it a crime punishable by long terms of imprisonment for any Physician, Public Official or Citizen of any Class to force any person to take any type of Medical treatment against his or her will or to use any type of Mental Praction upon a Citizen to submit to such Medical Treatment or to condone or assist any person in forcing Medical Treatment upon any person.

The NATIONALIST CONSERVATIVE PARTY will immediately revoke any Laws now standing which purport to force any person to submit to any form of Medical Treatment or surgery or to be forced to take any diet or Chemicals such as Fluoridated Water, etc., etc.
